SUMMER FESTIVAL**

**SPORTS  
GROUND  
CONCORDIA  
ESCHERSHEIM**

**ESCHERSHEIMER LANDSTR. 328  
60320 FRANKFURT AM MAIN**

**Just as in the past years the Welcome United Cup wants to bring football, fun, antiracism and of course people together, in order to take a stand against racism and other forms of discrimination.**

**You love football but hate racism and sexism? Join us and sign your own football team up for our tournament (you should be around 7 people).**

**We would like to especially invite teams of refugees, LGBTIQ and women, but of course everyone is welcome! Please don't forget: The whole thing is a fun tournament for hobby footballers!**

**Sign up your team here: [welcome-unity-cup-ffm@gmx.de](mailto:welcome-unity-cup-ffm@gmx.de)  
We are looking forward to welcoming you!**

**If you don't have a team but enjoy playing football, don't hesitate to join us anyway! On site we will build a team with everyone who's interested.**

**This year's opening event is going to be a talk about sexism in football stadiums and being a woman on the stand which will take place the evening before (June 14th, 7 pm / place tba). On Saturday our football cup and an appealing supporting programme will await you! There will be information stands of different (political) initiatives, delicious food, drinks, music, glitter tattoos, a silkscreen station and much more!**

**The Welcome United Cup tries to be a space where one can move freely and without any forms of discrimination, where everyone can feel comfortable. Marginalizing and molesting behaviour has no place, neither at our football cup nor in the world!**

**Organizers:  
Antira\_K, We'll Come United Bündnis  
Roter Stern Frankfurt
